CAI, Yu
PhD in Electronic and Computer Engineering

Dear CAI, Yu,

HKUST RedBird PhD Award, 2022/23

Congratulations! On behalf of the University, I am pleased to inform you that you have been selected from a highly competitive pool of candidates to receive the HKUST RedBird PhD Award in the 2022/23 Academic Year.

This award is made upon nomination by the School of Engineering and recommendation of a cross-School-assessment panel following a rigorous review. As such, it is a very well-deserved award in recognition of your academic excellence and leadership skills.

We are indeed proud to have been successful in drawing top minds, like you, to join our PhD programs. Please keep up with your outstanding efforts to further develop your academic and research abilities and fully unlock your potential.

I sincerely hope that your research journey at HKUST will be truly transformational and meaningful to you, to the University and to the larger community.

Once again, my heartiest congratulations to you on your outstanding achievement.

Yours sincerely,

Prof. Charles Ng
Dean of HKUST Fok Ying Tung Graduate School

Cc: Dean of Engineering
Head of the Department of Electronic and Computer Engineering
